

Brexit and Immigration: Citizens' Rights in the Draft Withdrawal Agreement

Landmark Chambers will be holding a seminar to discuss issues arising from the *Draft Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union* of 19 March 2018 insofar as they relate to citizens' rights.

Speakers will include Richard Drabble QC, Graham Denholm and Matthew Fraser, as well as other members of Landmark.

Although it remains the case that "*nothing is agreed until everything is agreed*", the position on citizens' rights is now, in principle, common ground between the United Kingdom and the Commission. In this session we will look at the proposals for EU nationals residing in the United Kingdom before 29 March 2019, during the agreed transition period of 29 March 2019 to 31 December 2020, and thereafter.
